REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST DECEMBER 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Trustees have considered the Charity Commission guidelines on public benefit and are satisfied that Civitas benefits the public by pursuing the following aims, which fall into three main groups:

o the direct provision of education through Civitas Saturday and evening schools;

o conducting research into social and economic problems to improve the stock of public knowledge, raise understanding and encourage informed discussion;

o providing teaching materials and talks for schools.

Civitas is a community of researchers and supporters committed to discovering how best to strengthen democracy, maintain personal freedom and achieve opportunity for all. We strive to achieve our ideals through independent research, reasoned argument, lucid explanation and open public debate.

We make our work available in books, pamphlets, online, and in electronic formats and encourage authors to make their arguments accessible to non-specialists. We have published a knowledge-rich primary school curriculum designed to enable children of all abilities to share in the intellectual heritage of Western civilisation.

Uniquely among think tanks, we play an active, practical part in rebuilding civil society, particularly by running schools on Saturdays and after-school hours so that children who are falling behind at school can achieve their full potential.

Under the company's memorandum of association, the charity is established to advance the studies of ethics and religion and any other charitable purpose.

OBJECTIVES AND ACTIVITIES

Significant activities

Primary Education For Children Falling Behind at School

Many primary school pupils are not learning the basics. On Saturdays and after school hours during weekdays we provide lessons in English and maths for children who have fallen behind. We use a no-frills approach which concentrates on high-quality teaching along traditional lines to enable children to master essential skills quickly. We emphasise small class sizes, reading through synthetic phonics and mental arithmetic.

In 2020 Civitas operated eleven supplementary schools in London. The schools provide additional English and maths lessons for 300 children each week. For much of 2020 lessons had to be taught remotely because of the Covid crisis.

Our pupils tend to come from disadvantaged backgrounds. Although many of the parents have high aspirations for their children, they often lack the skills and experience to help them continue learning outside regular school hours. The aim of the project is to encourage disadvantaged children to be high-achievers, to reach their full academic potential and thereby to open up new opportunities.

I CAN BE

Over the last year we have worked with inner-city primary schools across London, taking a group of 10 girls from each school on 10 workplace visits. During the summer the project became independent and now runs as a separate charity.

Independent examiner's report to the trustees of Civitas Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st December 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of Chartered Accountant which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2020

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

Donations and subscriptions are included as income as soon as they are received, unless the donor has imposed pre-conditions on the use of the funds, in which case the donations are carried forward until the pre-conditions are met. Grants and statutory funding are recognised once the resource is receivable by the charity and can be measured with reasonable reliability. Gifts in kind, such as assets given for use by the charity are recognised as income when received and are recorded at their estimated market value. Assets given for distribution by the charity are recognised as income when distributed. Voluntary help is not recognised in the Statement of Financial Activities. Membership, publications and investment income are included in the period to which they relate.

Expenditure

All expenditure is accounted for on an accruals basis. Staff salaries are allocated to charitable activities or governance costs on a time-spent basis. Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs and governance costs; they are incurred directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on unrestricted charitable activities on proportional basis, apart from some support costs that are allocated to specific restricted finds projects where agreed with donor on a proportionate head-count basis

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
